A LEGACY IN EVERY GRAIN

Global Trade Wooden Legacy

Superior Material Selection

Strength begins at the source.
Carefully chosen hardwoods like teak and sheesham,
seasoned and treated for durability and longevity.

Bespoke Design Approach

Designed around your space.
Custom measurements, thoughtful detailing, and
functional aesthetics tailored to your lifestyle.

Master Craftsmanship

Where tradition shapes precision.
Skilled artisans combine hand-finishing techniques with
advanced machinery for flawless execution.

Refined Finishing Process

Texture. Protection. Elegance.
Multi-layer polishing and protective coatings ensure
smooth surfaces and long-lasting beauty.

Quality Assurance and Delivery

Built right. Delivered perfectly.
Every piece undergoes strict inspection before secure
delivery and professional installation.

3D MEMBRANE DOORS

A statement of style and strength, our 3D membrane doors feature detailed craftsmanship and a premium finish. With a perfect balance of beauty and durability, they redefine interiors with a touch of luxury.

These doors are available in distinctive mm thickness.
